

Summer Camp Wish List

Make memorable summer camp experiences possible for children who need it most!

Each summer, Rainbow Days provides five weeks of unique themed summer day camps for over 750 homeless children in the Dallas area. Children enjoy exciting learning experiences and receive positive support from adult mentors through camps focused on higher education, performing arts, and appreciation of the great outdoors.

Thank you for making summer time fun and exciting for children who would otherwise be unable to experience a traditional summer camp!
