ABOUT THE LUNCHEON

Keynote Speaker Leigh Anne Tuohy

The Pot of Gold Luncheon benefits Rainbow Days' programs and services for at-risk children and youth facing adversity in our community through sponsorships and individual seats, auction bidding, and raffle ticket sales. Last year, attendees helped raise over \$250,000 for the 11,000 children and families served by Rainbow Days. Our programs teach children and youth coping skills and resilience to help break the negative cycles of homelessness, poverty, and drug and alcohol abuse by building supportive communities. Through support groups, positive experiences and training for youth service providers, we empower children to learn and practice healthy self-management, relationship, and decision-making skills with caring adult role models. This year's Keynote Speaker, Leigh Anne Tuohy, is the inspirational matriarch of the *New York Times* best-seller *The Blind Side*. Her most recent book, *Turn Around: Reach Out, Give Back, and Get Moving*, asks us to reconsider giving sacrificially, generously and immediately.
