

Feeling Charades

This charades activity will help kids identify different emotions that their classmates will act out. There are 12 charade cards with 36 charades (three choices of feelings per card).

Directions:

1. Cut the cards and place in a bag.
2. Pick one feeling on a card and act out in a game of charades.
3. Option: In a group, have the participants select a card and pick one of the feelings on the card and talk about a time when they felt that way.
