

Rainbow Days™

Saturday with Santa

ABOUT RAINBOW DAYS: For 40 years, Rainbow Days has helped children and youth in adversity build coping skills and resilience to create positive futures. Our trained staff offer year-round supportive activities and life enrichment services for over 9,000 children, youth, and families in 60 partnering sites in the Dallas area.

OUR EVENT: For 25 years, Rainbow Days has spread holiday joy and met the tangible needs of homeless children, youth, and parents through our annual Saturday with Santa event. Saturday with Santa is a festive family outing with an outdoor carnival, holiday activities, eating a delicious lunch, and receiving stockings filled with presents. Parents can shop for toys for their children and have their presents gift-wrapped by volunteers.
