The year 2022 brought an exciting milestone for Rainbow Days as we celebrated the organization's **40th anniversary**.

It is hard to believe that what started in 1982 with the vision of our founder, Cathey Brown, and a group of seven children has grown into an organization that has directly benefitted over **250,000 children and youth** in Dallas and impacted over **one million children across the country** through our training programs and curriculum.

Rainbow Days mission of **helping children and youth in adversity build coping skills and resilience** is still just as relevant today as it was **40 years ago**. Today’s children and youth are suffering from emotional, mental and behavioral health issues at an alarming rate.

The latest “Beyond ABC” Report from Children’s Health continues to show the increased need in our community. Significant highlights from the report and other sources show:

- An estimated 133,375 North Texas children and youth suffer from an emotional disturbance or addictive disorder.
- More than 38% of high school students felt hopeless or sad every day for two or more weeks at a time.
- Across North Texas, 17% of children live below the poverty line, including nearly 1 in 4 children in Dallas County.
- Across North Texas, nearly 500,000 children qualify for free or reduced-price lunch and more than 200,000 are considered food insecure.
- In Dallas ISD, more than 4,300 students in the district are classified as homeless.

Rainbow Days is addressing these critical needs **daily**.

By implementing our award-winning Curriculum-Based Support Group (CBSG®) Program with trained staff, we are supporting, strengthening and improving the mental and behavioral health of over 1,200 vulnerable children and youth each year. By providing our food program for motel families and tangible supplies throughout the year for homeless and at-risk children, we are addressing food insecurity and meeting basic needs. By training over 300 youth-serving professionals throughout Texas and across the U.S. in the CBSG®, we are expanding our impact and benefiting students beyond Dallas.

Through your investment in Rainbow Days, **you are part of the solution**. You are part of our important work as we intervene, equip children and youth with important skills, meet essential needs, expand our impact and most importantly, share HOPE. **Thank you** for being a vital part of our mission.

As we celebrate 40 years of service to the community, we remain committed to creating lasting change and making a positive impact in the lives of children and youth in our community and beyond.

**Thank you for your support!**

OUR MISSION

To help children and youth in adversity build coping skills and resilience to create positive futures.

OUR VISION

A healthy and promising future for every child.

THE NEED

1 in 4 children live in poverty
45% of children in the U.S. have experienced at least one Adverse Childhood Experience (ACE)
18.25 million children in the U.S. have an addicted parent(s)
2.5+ million children in the U.S. experience homelessness during a year's time, including over 6,000 in Dallas alone

WHO WE SERVE

Rainbow Days equips children and youth with the skills and emotional support they need to make healthy choices despite the adversities they face, such as:
- Poverty
- Anxiety and mental health distress
- Emotional or physical abuse
- Homelessness
- An incarcerated family member
- Witness to domestic violence
- Trauma and toxic stress
- Parent(s) struggling with addiction

WHAT WE OFFER

CBSG® Program
Rainbow Days developed the CBSG® Program to provide social emotional support, skill building and practice for children and youth in a peer-to-peer support group setting. All support groups are led by trained facilitators, who serve as positive mentors and allow children to share their feelings in a safe space.

Supportive Services
Rainbow Days offers a host of services, events and activities that complement our support groups and the core messages we teach:
- Classroom presentations
- Summer day camps
- Family outings
- Positive mentored activities
- After-school support
- Tangible items to meet basic needs

Training
To broaden our reach, Rainbow Days leads a nationally recognized training program that equips teachers, counselors and volunteers with our curricula and best practices.
- Includes CBSG® Program, prevention workshops and nonprofit workforce development.
- Fulfills professional education (CPE/CEU) requirements for various roles.
Rainbow Days is thrilled to celebrate 40 years of service and commemorate the important milestones of our journey of giving HOPE to children and youth experiencing adversity. While many things have evolved, grown, expanded and adapted over the years to meet the unique needs of the children and youth served. One thing remains the same: Rainbow Days commitment to excellent child-centered services designed to create life-changing impact and improve children’s social, emotional, mental and behavioral health.

RAINBOW DAYS CBSG® TRAINING

In 2022 Rainbow Days expanded its impact through virtual training services making a difference in children’s lives throughout Texas and around the nation.

338 adults, prevention specialists, teachers, counselors, and other youth serving professionals from 15 states were trained in the Curriculum-Based Support Group (CBSG®) Program.

Rainbow Days Training also provided 10 workshops for over 324 individuals on such topics as trauma informed care, social emotional learning, and resiliency.

With these continued training services children not only in the North Texas area benefit from the CBSG® Program, but children’s lives around the country are forever changed.
RAINFOREST DAYS EVENTS
Services and events provided year-round by Rainbow Days for our Dallas community.

Curriculum-Based Support Group Program (CBSG®): The CBSG® Program utilizes Rainbow Days evidence-based and award-winning curriculum to serve children and youth in marginalized communities throughout Dallas. Support Groups meet weekly in schools, shelters and community-based sites and are led by Rainbow Days trained staff facilitators who teach important coping skills and provide emotional support.

After-School Program: To meet the unique needs of children living in motels, Rainbow Days staff partners with the Dallas ISD Homeless Education Department to serve three elementary schools with a special after school program that includes homework assistance, educational activities and participating in a Rainbow Days support group.

Behavioral Health Promotion Presentations: Educational seminars in classrooms and at community-based sites that teach students the importance of making healthy choices, showing kindness and respect to others, managing feelings in positive ways and staying alcohol and drug-free.

Project Hope provides monthly food deliveries, resource referrals and other tangible resources to children and families living experiencing food insecurity and residing in motels across Dallas.

Leadership Camp is a special camp for Middle and High School students at a local community site that develops leadership skills that inspire and motivate teens to strive for success in themselves through motivational and experiential activities, lessons and presentations.

Pot of Gold Luncheon raises funds to support our critical services benefitting thousands of at-risk and homeless children and youth across Dallas each year.

Mentored Events gives children experiencing homelessness the opportunity to have a fun, interactive and educational experience with caring adult mentors away from the shelter.

Outdoor Adventure Camp exposes children residing in nature to nature and fosters teamwork, physical exercise and a love of the outdoors.

Kids’ University is an educational camp experience for homeless children and youth held in partnership with The University of Texas at Dallas. Children take fun and interactive classes on math, science, technology, engineering and a wide spectrum of career options.

Camp Bravo! is a performing and visual arts camp where children residing in local shelters participate in classes on music, dance, acting, cooking, ceramics and other art forms.

The Back-to-School Celebration provides over 1,000 at-risk and homeless children with backpacks, school supplies, uniforms and other resources they need to start the new school year.

Saturday with Santa is a celebratory event to spread holiday magic for homeless families by giving out stockings filled with toys, treats and essential tangible items to all family members.
POT OF GOLD LUNCHEON

Rainbow Days celebrated 40 years of life-changing service with our 25th annual Pot of Gold Luncheon. Our Pot of Gold Luncheon is a cheerful fundraising event benefiting Rainbow Days’ mission and services to help kids rise above. Each year, the luncheon features an inspiring keynote speaker, performances from the Rainbow Days children, moving program testimonials and a fantastic silent auction. For our special anniversary, 500 supporters and guests gathered to raise over $258,000 for Rainbow Days services through the auction, sponsorships, donations and individual tickets.

Cathey Brown, Rainbow Days’ founder, was in attendance at the 2022 Pot of Gold Luncheon to reflect on Rainbow Days’ journey and evolution over the past 40 years, including how helping children and youth rise above adversity has been at the core of the agency’s mission since the very beginning.

RING OF HONOR

In honor of Rainbow Days' 40th anniversary, CEO Tiffany Beaudine announced the launch of the Rainbow Days Ring of Honor to recognize a group of remarkable individuals and organizations for their decades of faithful service and demonstration of long-standing support, generosity and extraordinary partnership.

KEYNOTE ADDRESS

Guests enjoyed an impactful keynote address from Caylin Moore. A celebrated author and sought-after speaker, Caylin inspired the luncheon audience with his personal story of overcoming adversity and his mission to leave the world better than he found it. Caylin’s against-all-odds journey from the cruel poverty of a gang-ridden Los Angeles community to becoming a Rhodes Scholar is detailed in his acclaimed book, (A Dream Too Big: The Story of an Improbable Journey from Compton to Oxford.)

STARS OF THE SHOW

Another highlight of the luncheon program included a performance by a group of current Rainbow Days program participants from a local shelter. The children performed onstage alongside Tony Ballard, a local musician who regularly serves as a positive mentor for the children Rainbow Days serves. In honor of the 2022 Pot of Gold Luncheon, Tony composed an original song for the performance inspired by Rainbow Days’ Major Messages, which are: “I Am,” “I Can,” “I Have,” “I Will” and “I Believe.”

Thank You

Our Pot of Gold Luncheon was made possible through the hard work, time and resources of the 2022 Pot of Gold Luncheon Committee members. Event leadership included Luncheon Chairs, Jennifer Bishop and Marisa O’Sullivan and Auction Chairs Melissa Griffith and Tiffany Westerman.
At the heart of Rainbow Days is the unique Curriculum-Based Support Group (CBSG®) Program. Developed 40 years ago, Rainbow Days have now updated, edited and published its 11th edition of the CBSG Program in 2022. As today's youth continue to experience mental health challenges at a staggering rate, the CBSG® Program and the messages that it teaches remain timeless – more relevant, important, and needed now than ever.

The CBSG® Program supports, strengthens, and improves the social, emotional and behavioral health and well-being of children/youth. Through The CBSG® Program, Rainbow Days fosters and improves children’s resiliency and protective factors, teaches healthy coping and self-management skills, promotes positive pro-social behaviors, and prevents substance use and misuse.

Each year, thousands of children and youth in the Dallas community benefit from participating in a CBSG led by Rainbow Days trained and caring direct service staff. Additionally, thousands more children benefit throughout Texas and the U.S. as we train hundreds of school counselors, nonprofit staff and other youth-serving professionals each year in how to implement the CBSG® Program with children in their own community.

Based on Resiliency & Protective Factor research Social Emotional Learning (SEL) principles, The CBSG® Program teaches children/youth valuable lessons on Self-Awareness, Social Awareness & Competence, Relationship Skills, Responsible Decision Making and instills a Sense of Purpose & Future. During support group, children participate in a guided discussion, engage in experiential learning activities and build trust with their peers and caring adult facilitators.

The CBSG® Program is research and evidence-based and has been recognized by the Center for Substance Abuse Prevention as a proven and effective program. After completing the CBSG® Program, children and youth demonstrate an INCREASE in the following outcomes:

- Perceived well-being
- Understanding of different feelings and how to express those feelings in healthy ways
- Sense of hope and purpose for the future
- Knowledge and ability to make healthy choices
- Sense of belonging with others and social connectedness
- Ability to identify safe people to ask for help
- Non-use attitude toward alcohol, tobacco and other drugs
- Positive, pro-social attitudes, behaviors and intentions
WHO WE SERVE

Rainbow Days is often described as “the charity behind the charity.” By providing site-based services at schools and shelters in the community, we overcome the barrier of transportation and meet kids where they already are.

Through partnerships with **60+ different service sites** in 2022, Rainbow Days’ dedicated, caring staff members were able to bring our programs to thousands of local kids. This year’s partners included: elementary, middle and high schools in five school districts; recreation and community centers; alternative schools; homeless and domestic violence shelters; motels; supportive housing sites; and other transitional living centers.

We are also **grateful** for the countless other local organizations — including nonprofits, churches, schools, companies and universities — that generously partnered with us by providing space and other crucial resources needed to support our services.

**More Than Chicken:** A Success Story We Can All Learn From

The story of a bright 8-year-old girl named Aliyah describes some of the challenges that children experience who are in Rainbow Days programs and how it takes one adult to be a world changer for the next generation in our community.

This past year, Aliyah attended one of Rainbow Days summer camps. Aliyah was having difficulty at camp by being withdrawn and isolating herself from the other children. As our leaders tried to connect with young Aliyah, she only wished to be alone. During morning snack time, RDI leaders noticed she quickly ate three granola bars and gulped two cartons of milk down.

As the day went on, Aliyah's camp leader intentionally gave her more individual attention in efforts for her to become comfortable. When a staff member asked her how the camp was going, Aliyah replied, "I just miss my little brother and mom." As our staff member continued to ask follow-up questions about her brother, she changed the subject and wanted to know what was for lunch.

Her face began to glow, and her big eyes lit up when she found out Rainbow Days would be serving Chick-Fil-A! "Oh my goodness, I love chicken, anything!! Chicken nuggets and chicken sandwiches!! And we get fries too?" Aliyah was elated.

As the Rainbow Days staff member affirmed that there would be a choice of chicken nuggets or a chicken sandwich and fries, Aliyah's demeanor began to change.

"I can't stand eating the food at the shelter," she sighed. "My mom sometimes gets me cheese and peanut butter crackers because the food there is gross, and I am always so hungry. They never serve my favorite foods! I wish just for one day they would serve hot dogs, pizza or chicken nuggets." Aliyah returned to her group with her camp leader by excitingly telling all the kids what they were having for lunch.

After their meal, Aliyah asked if she could bring home some chicken nuggets for her mom and brother. She shared how much her little brother would love it and that she wanted to share her special treat.

Aliyah's attitude changed for the rest of camp as she began thoroughly enjoying her time and connecting with the other children. She began engaging in her CBSG program and became receptive to the lessons. Our camp leaders connected with Aliyah and shared about her caring heart, joyful spirit and the bright future she has in store.

It is a simple gesture to offer kid-friendly foods at camp, but for a homeless child, it improves the entire experience and means much more. Aliyah's story teaches us a lesson of gratitude, generosity and that consistent care from an adult creates a rippling effect of a difference.

Thank you for supporting our mission to help kids rise above adversity! Thank you for helping children like Aliyah.
IT TAKES A VILLAGE, AND THIS IS OURS.

Rainbow Days is immensely grateful for all of our volunteers that support our mission and help make our services possible.

OUR VOLUNTEERS

This past year, 1,347 dedicated volunteers gave 4,560 service hours to Rainbow Days. In 2022, our volunteers generous time is valued at $40,000. Whether they were stuffing backpacks with school supplies, serving lunch at camp, unloading equipment or simply being positive mentors, these incredible volunteers made a difference in the lives of thousands of Dallas children and youth facing adversity.

This year, we were grateful to count on the support and generosity of volunteers of all ages from more than 45 volunteer community groups, including: companies, schools, churches, universities, mother/son and mother/daughter teams, and more.

BY THE NUMBERS
"Rainbow Days has worked with our students for over twenty years. They provide students the opportunity to learn about the prevention of drugs. Most of all, they instill confidence in our students."

Jean Moore, Counselor at Sheffield Intermediate, CFBIS

"I would say to any superintendent or principal, 'You need this curriculum because it's going to change the whole tenor of your school. It's going to move your children from a place of being scared and afraid to a place of power and sense of belonging. The guided implementation and practice of the program's tenants - I Am, I Can, I Have, I Will, I Believe - will transform your campus to a place no one will recognize.'"

Valorie Horn, Program Director, V.O.I.C.E.

Rainbow Days is also thankful for our in-kind supporters, who donated goods and services valued at $230,250.28 in Fiscal Year 2022. These generous donations included school supplies, clothing, toys, food, printing services, auction items and more! We are truly grateful for these special donors who supported Rainbow Days and the children we serve through tangible items and discounted professional services. There is a smiling child behind each of these donations. Those who made in-kind contributions valued at $400 and above are recognized here.

When children experience adversity, there are lifelong effects for them, their families and their communities. Rainbow Days breaks these cycles by creating meaningful connections through support groups, camps, positive mentored experiences and training for other providers. Through our programs, at-risk and homeless children and youth learn and practice healthy self-management, relationship and decision-making skills alongside positive adult role models. They can rise above life’s challenges by being equipped with coping abilities and resilience to create promising futures. Since 1982, Rainbow Days has positively impacted the lives of over 250,000 children and youth in Dallas and millions more through Rainbow Days Training.
