

Rainbow Days

2024 Easter Eggstravaganza

ABOUT THE EVENT: Rainbow Days is keeping our **Easter Eggstravaganza** tradition alive to meet homeless families' critical tangible needs and deliver **springtime joy by** focusing on the families we serve living in motel sites and homeless shelters. Rainbow Days will be providing **Easter "Boxes"** instead of Easter Baskets to help with distribution. The boxes will have Easter eggs and Easter fun mixed in with essential tangible items for these children, youth, and parents who are in need of extra help this season. RDI will not be hosting an in-person event but will be sharpening our focus by directly delivering to more than **200 children and families** to create this personal Easter experience. Please spread **JOY** and **HOPE** by [signing up to fill Easter Boxes NOW!](#)
